

Live Your Life Without Limits

Policies for Our Practice Members

To ensure that you receive the best care, all practice members are accepted for care based on the following office policies:

Preferred Hours: In order to provide the care you need as conveniently as rapidly as possible, we have established special hours during which you can receive your adjustments with as little waiting as possible. Therefore, we ask that schedule a special appointment or phone consultation to address detailed questions.

Appointment Scheduling: To save you time on each visit, we ask that you pre-schedule all appointments in advance and that you refrain from repeatedly rescheduling appointments. In order to keep your progress on schedule, rescheduled appointments must be made up within the same week.

Broken Appointments: In order to keep your progress on schedule, missed appointments must be made up within the same week. It is your responsibility to call us if you need to make changes to the schedule. If you repeatedly miss your appointments, please understand that you may not receive the same results from your chiropractic care. It is imperative to your care plan that no appointment is missed.

In Case of Absence: Dr. Nugent and Dr. Petersen need to be away from the office several times a year to attend continuing education seminars. In that case, we will schedule appointments on a different day that week. In no way would we wish to jeopardize the consistency and intensity of your adjustment schedule.
