

# **SUPPORT YOUR PROFESSION'S LEGISLATIVE EFFORTS**

*The Success of Oklahoma Chiropractic's Efforts is  
Not Just Dependent on the UCA LOBBYIST or the UCA BOARD  
IT'S FUNDING to SUPPORT our Legislative Friends at the Capitol  
WE NEED YOUR HELP,!!*

## **ONLY the UNIFIED CHIROPRACTIC ASSOCIATION WORKS for ALL OKLAHOMA D.C.'S at the CAPITOL**

The Unified Chiropractic Association Legislative Committee is asking every Chiropractor to contribute to the Political Action Committee Fund (UNIFIED-PAC). This is the only money we can lawfully use to support the campaigns of our friends in the legislature in order that they remain in office to help us lobby and vote for positive Chiropractic Legislation. Election debts from November are calling us now!!

**Please!** Donate the cost of at least one adjustment per month. That amount is affordable and accumulated with others into a "war chest" would make a big difference in Chiropractic's legislative success, most important in our ability to protect our "Practice Act" with more comprehensive language, as advised to the BOCE after a scare from the Osteopaths in 2002.

To strengthen Oklahoma Chiropractic in this state your contribution of \$35, \$40, \$50, \$75, \$100 or more per month or combined in a yearly sum is much needed and would be greatly appreciated. Keep in mind! We will only be as strong as the positive information and financial support we give the legislators. **Take another D.C. or two and buy your legislator(s) a cup of coffee or a lunch; but first call the UCA Executive Director for "talking points" and a Unified PAC check to hand them before you say goodbye.**

*(Mail with your contribution to Unified PAC - P. O. Box 701678, Tulsa, OK 74170)*
